PROFESSIONAL SUMMARY

Final-year B.Tech student in Artificial Intelligence and Data Science with strong problem-solving skills and hands-on experience in building Python and FastAPI applications with structured PostgreSQL data flows. Experienced in developing REST APIs, troubleshooting technical application errors, and delivering customer-focused technical solutions. Proficient in web development, database management, and core networking protocols (HTTP, TCP/IP, DNS).

TECHNICAL SKILLS

Programming Languages:	Python, SQL, HTML5, CSS3, JavaScript, Java
Backend Technologies:	FastAPI, RESTful APIs, JSON Parsing, API Integration
Databases:	PostgreSQL, Relational Database Management (RDBMS)
Networking & Protocols:	HTTP/HTTPS, DNS, TCP/IP, Client–Server Architecture
Developer Tools:	Git, GitHub, Visual Studio Code (VS Code), Windows, macOS
Core Competencies:	Debugging, Troubleshooting, Problem Solving, Software Architecture, Teamwork

KEY PROJECTS

AI Resume Analyzer **2026**

Technologies: Python, FastAPI, PostgreSQL, React, REST API

- Engineered a high-performance backend application using FastAPI and PostgreSQL to process and evaluate resume profiles.
- Developed robust REST APIs handling PDF file parsing, structured data extraction, and dynamic JSON responses.
- Implemented comprehensive application debugging and error handling mechanisms to maximize uptime and response stability.

Real-Time Weather Application **2025**

Technologies: React.js, OpenWeatherMap API, JavaScript, HTML5, CSS3

- Developed a fully responsive web application displaying real-time weather analytics and 5-day weather forecasts.
- Integrated OpenWeatherMap REST API to seamlessly fetch dynamic location-based meteorological data.

INTERNSHIPS & HACKATHONS

Artificial Intelligence Intern **30 Days**

NoviTech R&D Pvt Ltd

- Gained practical hands-on experience in AI algorithms, data handling, and machine learning concepts.

24-Hour Hackathon Participant **Syed Ammal Engineering College**

- Collaborated in an intensive 24-hour coding sprint to design and prototype rapid technical solutions under strict deadlines.

EDUCATION

Bachelor of Technology (B.Tech) in Artificial Intelligence & Data Science **2023 – 2027**

P.S.R. Rengasamy College of Engineering, Sivakasi | ***CGPA: 8.5 / 10***

Higher Secondary Certificate (HSC) **2023**

VNUP Kaleeswari Higher Secondary School, Vanniampatti | ***Percentage: 79.17%***

CERTIFICATIONS

- **Programming in Java** – NPTEL (2026)
- **IBM Cognos Analytics** – Adroit Technologies / Naan Mudhalvan (2026)
